I acknowledge that in becoming a member of Garden of Eden Foundation / Petra Nikos Group CSA, I am making a pledge for a minimum of 12 weeks (one quarter). I realize that due to environmental shifts, produce cannot be guaranteed for equality or quantity, but I also understand that the best available produce will be provided. I understand that it is my responsibility to pick up my order during the designated time period. If I cannot make it, arrangements can be made for an additional charge. If I do not pick up or make other arrangements, the produce will be donated to charity. To end my membership, I must give at least a 30-day notice. I realize that there are no refunds. As a satisfied customer, I will tell others about CSA (Community Supported Agriculture)!

\*4 week trial available to all new members, ask for details.
